HOUSING INITIATIVE

The goal is “Housing for All”

Presently there is an overwhelming population that are without some sort of permanency for themselves and/or other family members. While housing options may be limited there are options that are available that the public may not be completely aware of.

This directory is aimed at providing all, if not most, options available in the community of Miami-Dade and Monroe counties. These options will include but are not limited to Emergency Homeless Shelters, Shelters specific to Women, Men and those for Families * Residential Treatment Programs for those with substance abuse and mental health issues,

SHELTER FACILITIES

Emergency Shelter: (As **defined** by HUD): Any facility whose primary purpose is to provide temporary or transitional **shelter** for the **homeless** in general or for specific populations of the **homeless** for a period of 90 days or less.

Emergency Shelter Types:

- (a) Men
- (b) Women
- (c) Family
- (d) Non-Specific

TRANSITIONAL HOUSING

Pursuant to 24 CFR 91.5 [Title 24 Housing and Urban Development; Subtitle A Office of the Secretary, Department of Housing and Urban Development; Part 91 Consolidated Submissions for Community Planning and Development Programs; Subpart A General], the term Transitional Housing means “a project that is designed to provide housing and appropriate supportive services to homeless persons to facilitate movement to independent living within 24 months, or a longer period approved by HUD. For purposes of the HOME program, there is no HUD-approved time period for moving to independent living.

PERMANENT HOUSING

Permanent Supportive Housing (HUD Definition) Long-term, community-based **housing** that has supportive services for homeless persons with disabilities

Level II treatment facilities are **specific** psychiatric services provided by an OBHL licensed behavioral health agency as set forth in 9 A.A.C. 20. These settings provide treatment that includes continuous behavioral health therapy, 24 hour professional staffing, and therapeutic activities to an adult who is experiencing a behavioral health issue that limits his/her independence but who is able to participate in treatment to his/her basic physical and age appropriate needs under the supervision of an on-site or on-call behavioral health professional and psychiatric consultation for adults that do not require medical services provided by the facility.

Non-HUD Permanent Housing Program

Carrfour-Royalton

Program Type:	Permanent Supportive Housing
Site/Housing Type:	Residential: special needs and non-special needs Single Room Occupancy (SRO) units
Program Description:	Located in the downtown business district, this building was originally constructed in 1923 and is listed as a contributing structure in the Downtown Historic District. Royalton SHP consists of 77 SRO units for formerly homeless individuals. The location is within proximity to jobs as well as education/training programs at Miami Dade College. In addition to housing, residents receive a full array of supportive services including case management, referral services, employments services, life skills training, home ownership training, crisis intervention, and recreational activities.
Eligibility Requirements:	Qualify as homeless under the new U.S. HUD definition; One adult in the household must qualify as having a disability under the U.S. HUD definition; meet the project income requirement; satisfactorily pass a drug screening; have a history indicating ability to live in harmony with other and abstain from drugs and alcohol; and have a history indicating commitment to paying rent and other obligations on time.
Fees:	There are no program fees. However, residents are expected to pay 30% of their adjusted monthly gross income as rent once they move into the program.
Intake Process:	A Homeless Trust provider submits Carrfour's wait list referral form to the SRO wait list coordinator by fax or scan. The applicant is placed on a waiting list until there

is an opening. Once there is an opening, the applicant is asked to come in for an interview/prequalification and bring updated documentation (applicants are provided with list of documents to bring). If the application is complete and the applicant meets the program's eligibility criteria, the applicant will be accepted into the program and provided with a move in date.

Hours of operation: 8:00 am – 5:00 pm

AHCA Limited Mental Health Licensed - Assisted Living Facilities

An assisted living facility (ALF) is designed to provide personal care services in the least restrictive and most home-like environment. These facilities can range in size from one resident to several hundred and may offer a wide variety of personal and nursing services designed specifically to meet an individual's personal needs.

Facilities are licensed to provide routine personal care services under a "Standard" license, or more specific services under the authority of "Specialty" licenses. ALFs meeting the requirements for a Standard license may also qualify for specialty licenses. The purpose of "Specialty Licenses" is to allow individuals to "age in place" in familiar surroundings that can adequately and safely meet their continuing healthcare needs.

It is unlawful to knowingly refer a person for residency to an unlicensed assisted living facility. Any person, who violates this law, commits a noncriminal violation, punishable by a fine not exceeding \$500 as provided in s. 775.083, Florida Statutes.

Links

Information on ALF law and regulation may be obtained from the Department of Elder Affairs' web site at elderaffairs.state.fl.us. Pursuant Chapter 429.52(1) and (9) assisted living facility administrator training is required. Only individuals registered by the Department of Elder Affairs are qualified to provide the training. To obtain a list of approved trainers, select "ALF Training Providers; Test Fees" from the above link.

More detailed program information on assisted living facilities can be found at the Department of Elder Affairs' Florida Affordable Assisted Living Website.

To search for licensed assisted living facilities, please visit the following link:

Carrfour-Dr. Barbara Carey Shuler Manor

Program Type: Permanent Supportive Housing (HUD)

Site/Housing Type: Residential: special needs and non-special needs
Single Apartment (non-SRO) units

Program Description: This mixed income development consists of a beautifully designed eight-story residential building and an inner connected parking structure. The residential building rises 7 stories above the ground floor space with a total of 100 apartments; 50 units will serve low income individuals (including some elderly) and families of four who make less than \$33,540 and 50 units will be set aside for formerly homeless individuals and families who come from the Model City community. In addition, Carrfour

provides on-site social supportive services to the residents (both formerly homeless and low-income tenants) with financial counseling, job development and placement, and case management to refer tenants to a complete array of social services offered in Miami-Dade County. The parking structure is integrated into the residential tower and contains an upper deck that provides exceptional outdoor patio. The parking structure is carefully hidden from street view with a decorative façade.

Eligibility Requirements:

Qualify as homeless under the new U.S. HUD definition;

One adult in the household must qualify as having a disability under the U.S. HUD definition; meet the project income requirement; satisfactorily pass a drug screening; have a history indicating ability to live in harmony with other and abstain from drugs and alcohol; and have a history indicating commitment to paying rent and other obligations on time.

Camillus VA GPD Service Intensive Housing (SITH) Program.

The SITH program offers housing with wrap around services to homeless veterans who choose a supportive transitional housing environment that provides services prior to entering permanent housing.

The goal of the program is to engage and support these individuals over a maximum of six months to move them on to permanent housing situations, enabling them to live independently and successfully.

A total 32 beds for homeless veterans is located at the Camillus House NCL Campus located at 1603 NW 7th Avenue in the City of Miami, Florida. Units are designed such that there are two beds in each.

The program provides meals three times a day, housing navigation, benefits assistance, workforce development, social and life skills development and therapeutic groups to all participants. Case management will focus on obtaining benefits and/or employment and obtaining permanent housing.

Services are provided by a Bachelor's Level Case Manager and a Masters Level Clinician as well as Residential Assistants on site 24/7.

Services include:

- Needs Assessments
- Referrals – based on needs
- Benefit applications – based on eligibility screenings
- Vocational Development & employment search
- Housing navigation – to secure permanent housing
- Activities – social integration, wellness, life skills, therapeutic groups
- Follow-up (post-housing) – to ensure stability over time
