**RESPONSES TO WRITTEN INQUIRIES**

|            | <b>Inquiry</b>   | <b>Response</b>   |
|------------|--|---|
| <b>(1)</b> | On page 10 of the ITN it states "The team is available on nights, weekends, and Holidays". Does this mean the entire team must be on call and respond 24/7 <u>OR</u> that there is an on call plan that ensures response by individual team members? | The entire team does not have to be on call and respond 24/7 but the agency must have a staff assigned during non-regular business hours to respond to calls and mobilize other team members if necessary.      |
| <b>(2)</b> | Will funds or training be available through the managing entity outside of this grant for Wraparound Training?   | At this time managing entity has not received its annual operating budget from the Department, therefore it is unknown if funds will be available for Wraparound training outside of this grant through the ME. |
