

**Invitation to Negotiate #013  
Mobile Response Team for Monroe County**

**Date: October 17, 2018  
Time: By 5:00 P.M. [EST]**

**RESPONSES TO WRITTEN INQUIRIES**

	<b>Inquiry</b>	<b>Response</b>
<b>(1)</b>	The response time is within 60 minutes which will not always be possible or safe given the geography of Monroe County. Key Largo to Key West is a 2 hour trip minimum. Will timelines be adjusted OR funding adjusted to allow for expansion to include additional team members in multiple parts of the county to safely meet the response time?	Unfortunately, the 60-minute timeframe is mandated by the Executive Order signed by the Governor and cannot be changed. The funding will not be increased as this was the allocation provided to the Southern Region by the Department of Children and Families
<b>(2)</b>	The RFP indicates that this program is Fee for Service. Is reimbursement based upon actual services or availability	The services provided by the mobile response team will be paid on availability.
<b>(3)</b>	The RFP indicates an annualized amount of \$636, 417 but the initial project period is 6 months. Does the budget then need to reflect only an amount awarded for \$318, 209?	Prepare the budget based on the annualized amount.
